

GOD'S ALTERNATIVE PROGRAM

A NEW CLASS OF GAP STUDENTS ARE ON CAMPUS

You have probably noticed a few new, young faces wandering around on Sunday mornings... or even during the week on the DBC campus. GAP is excited to have 21 new GAP-ers who have made a personal commitment to this intensive 9-month discipleship program.

So far this year, students have cruised through their pre-arrival work, spent 2 weeks in GAP orientation, and they've completed a variety of life skills ranging from CPR certification to beginning research on future vocations as well as fitness and communication training. In their Leadership class, students worked together in teams and made their first presentations. They've definitely been busy!

AUTOMOTIVE LIFE SKILLS

Life Skill Leader, Jamie Blair, and his team of amazing volunteers led hands on sessions covering topics ranging from tires, to batteries and oil changes.

Where are they now?

Keith Hallman (GAP class 2021-22) I'm working as a Project Manager Assistant for a home remodeling company. I work with strong men of faith who work with integrity. They are training me to become a Project Manager for them.

Mikaela Himanen (GAP class 2022-23) I'm currently living with my 2 sisters as a freshman in College Station. I'm studying at Texas A&M getting a degree in Animal Sciences and loving it! Gig em Ags!
