Your enrollment in the plan is expressly conditioned upon your acceptance of all terms and conditions contained in this enrollment application. If you do not agree to the following terms and conditions, you may not complete your enrollment.

TERMS AND CONDITIONS

As a condition of my and/or my dependents' participation in the plan, and in consideration for the privileges that come from participation in the plan, I hereby agree for myself and/or for my dependents as follows:

I recognize and understand that the plan contracts with physicians and other providers that make up the plan network. I recognize that all physicians and other providers that participate in the plan network are subject to credentialing under applicable State regulations and pursuant to the plan's network credentialing process. I understand that such credentialing includes a review of provider education, training and licensure. However, by participating in the plan I hereby acknowledge and accept that the plan is not a provider of medical services, and I am aware that obtaining or not obtaining medical care involves significant risks such as serious injury and even death. I acknowledge that the credentialing of physicians and other providers does not in any way reduce this risk. I agree to assume all risks and responsibility for, and hold the plan harmless from, any and all claims for damages, including personal injury or death, medical expenses, disability, lost wages, and loss of earning capacity which may be incurred or associated with medical treatment obtained through a participating physician or other provider. I recognize that all physicians and other providers that participate in the plan network are independent contractors and not the plan's employees or agents and are solely responsible for any malpractice, adverse outcomes, or any other claims arising from medical treatment rendered to me and my dependents. I HEREBY AGREE THAT THE PLAN IS NOT RESPONSIBLE NOR LIABLE FOR ANY ADVICE, COURSE OF TREATMENT, DIAGNOSIS OR ANY OTHER INFORMATION, SERVICES OR PRODUCTS THAT I OR MY DEPENDENTS OBTAIN THROUGH A PARTICIPATING NETWORK PHYSICIAN OR OTHER PROVIDER.

I recognize and understand that the plan does not recommend, endorse or make any representation about the appropriateness or suitability of any specific tests, products, procedures, treatments, services, or opinions. I recognize that the plan, plan documents, and any health and wellness information provided by the plan, are not intended or implied to be a substitute for professional medical advice, diagnosis or treatment. I agree to confirm any medical information obtained from or through the plan with other sources, and will review all information regarding any medical condition or treatment with my physician. I HEREBY AGREE TO NEVER DISREGARD PROFESSIONAL MEDICAL ADVICE OR DELAY SEEKING MEDICAL TREATMENT BECAUSE OF SOMETHING I HAVE READ OR ACCESSED THROUGH THE PLAN.

I authorize UnitedHealthcare Insurance Company and its affiliates (collectively, "UnitedHealthcare") to obtain, use and disclose my medical, claim or benefit records, including any individually identifiable health information contained in these records. I understand these records may contain information created by other persons or entities (including health care providers) as well as information regarding the use of drug, alcohol, HIV/AIDS, mental health (other than psychotherapy notes), sexually transmitted disease and reproductive health services. I authorize any health care provider, pharmacy benefit manager, other insurer or reinsurer, hospital, clinic or other medical facility, health care clearinghouse, and any of their affiliates, representatives or business associates, to disclose my information to UnitedHealthcare and Affiliates. I understand that the purpose of the disclosure and use of my information is to allow UnitedHealthcare to facilitate the appropriate management of treatment, services, payment and benefits. I further understand that the information disclosed will not be used for purposes of eligibility, enrollment, underwriting and premium risk rating. I understand this authorization is voluntary and I may refuse to sign the authorization. I understand I may revoke this authorization at any time by notifying my UnitedHealthcare representative in writing, except to the extent that action has already been taken in reliance on this authorization. As required by HIPAA, UnitedHealthcare also requires that I acknowledge the following, which I do: I understand that information I authorize a person or entity to obtain and use may be re-disclosed and no longer protected by federal privacy regulations. This authorization, unless revoked earlier, expires 30 months after the date it is signed.

I understand that I am completing a joint life and health application and that each response must be complete and accurate. I (we) request the indicated group medical coverage. I authorize any required premium contributions to be deducted from my earnings. I (we) have not given the agent or any other persons any required information not included on the application. I (we) understand that UnitedHealthcare is not bound by any statements I (we) have made to any agent or to any other persons, if those statements are not written or printed on this application and any attachments.

G. Signature (continued)

Please note that if you knowingly or intentionally leave out information or make a misrepresentation of a material fact on this form we may be allowed by law to take one or more of the following actions: terminate or non-renew your coverage or change your premium retroactively to the date your policy became effective.

I understand that the health benefit plan that I have selected provides reimbursement for certain medical costs, which are more fully described in the current Certificate of Coverage. I understand there may be instances where treatment decisions made by my physician or me or medical expenses which I have incurred may not be covered by my health benefit plan.

I understand that information collected in connection with administration of the benefit plan may be used to bring to my attention health or health-related procedures, products and services that might be valuable to me and otherwise as permitted by law. I understand that you may combine that information with other information so that it is no longer individually identifiable and use it for commercial and other purposes.

Please maintain a copy of this authorization for your records.
