

Junior High Boys Coordinator

POSITION DESCRIPTION

The Junior High Boys Coordinator is responsible for the spiritual leadership and development of ministries aimed at 6th–8th grade boys. The primary objective of this role is evangelism, with the goal of guiding students toward:

- A growing commitment to Jesus Christ
 - A growing commitment to the Body of Christ
 - A growing commitment to the work of Christ in the world
-

ESSENTIAL DUTIES AND RESPONSIBILITIES

MINISTRY (RELATIONAL INVESTMENT)

- **Building Relationships:** Invest time and energy in initiating and cultivating relationships with 6th, 7th, and 8th grade boys to help them grow in their understanding of and application of the Gospel in their lives.
- **Active Engagement:** Be actively involved in knowing the names and involvement status of the boys in the ministry, and build intentional relationships with them.
- **Leadership in Teaching:** Assist in leading and teaching in the 3 Degrees program and Jr. High Sunday School, providing solid biblical teaching tailored for the needs of junior high boys.
- **Small Group Oversight:** Oversee Jr. High boys' small groups by recruiting, training, and supporting volunteer leaders to guide the students in deeper faith discussions.
- **Parental Support:** Come alongside parents to encourage and assist them in discipling their sons, providing resources and guidance when necessary.

ADMINISTRATION

- **Curriculum Development:** Help plan and implement weekly programs, including developing relevant and engaging curriculum that meets the spiritual needs of 6th-8th grade boys.
- **Transition Support:** Assist in helping students transition into Jr. High and navigate the unique challenges and opportunities that arise during this stage of life.
- **Outreach Events:** Plan and implement grade-specific outreach events to engage students and create opportunities for new boys to get involved in the ministry.
- **Retreats and Service Trips:** Help organize and lead retreats, conferences, and service learning trips that challenge students in their faith and encourage active service to others.
- **Summer Ministry:** Help plan and implement summer ministry programs that continue to nurture and build relationships with students while challenging them to grow in their faith.
- **Partnership Development:** Foster relationships with local and non-local ministry partners, seeking opportunities for collaboration and outreach.

ORGANIZATIONAL RELATIONSHIPS

- **Direct Supervision:** Report directly to the Youth Director and work closely with the Session's Youth Committee to support the overall youth ministry vision.
- **Team Collaboration:** Work in collaboration with the 2-year Residents in the youth ministry program, recruiting, training, and supervising them as needed.

PERSONAL CONDUCT AND SPIRITUAL GROWTH

- **Devotional Life:** Maintain a consistent personal devotional time to continue growing in your relationship with Christ.
- **Biblical Character:** Maintain a lifestyle and character consistent with Biblical leadership standards, modeling Christlikeness in all areas of life.
- **Active Participation:** Attend church-wide functions and age-appropriate ministry events (unless they conflict with the youth ministry schedule).

ADDITIONAL BENEFITS AND PROFESSIONAL DEVELOPMENT

- **Study Leave:** The Junior High Boys Coordinator position includes one week of study leave annually, allowing time for spiritual reflection, personal growth, or academic pursuit.
- **Conferences:** This position comes with the expectation of attending one youth ministry conference per year for personal development and Gospel renewal.
