

Pray for always:

- ☐ **God's blessing on the President** and all those in leadership in our nation, state and city.
- ☐ **All members of our staff** as they seek to honor the Lord in their respective ministries.

Missionary focus of the week:

- ☐ Jim Snellink, serving with Youth for Christ International

New Prayer Requests:

- ☐ **Elaine Corbin**, who is dealing with a lower left leg issue. She is in a lot of pain and has had a MRI. She has an appointment at Ortho Indy this week and is praying for a diagnosis and treatment plan.
- ☐ **Debbie Anderson's brother, Chris**, who survived an aortic dissection on March 6. Chris's twin, Jeff, has also had an aortic dissection. The remaining five biological siblings have all been instructed to get genetic testing. Pray for the entire family. Also, pray for the salvation of Jeff and his wife, who are Jehovah Witnesses.
- ☐ **Bob Dalton**, who will have a knee replacement on March 19. Please pray for a successful surgery and smooth recovery.
- ☐ **Darrell Steven's mother, Letha Stevens**, who has been released to a rehab facility but is still physically very weak and is discouraged. She would like to return home but there are doubts she could live independently. Continue to pray for her recovery and for her to be accepting of living in an assisted living facility. Keep Darrell and his brother in your prayers as they care for their mother and make decisions about what is best for her.
- ☐ **Dick and Libby Davis's grandson, Cooper**, who was diagnosed with Crohn's Disease in November. He has been in a continuous flare since then and has lost over 20 pounds in the last few months. He is starting a new medication and they are hopeful that it will help. Pray for relief from this pain and for him to start feeling better.

On-going Requests:

- ☐ **Laney Ruth Wysong**, daughter of Ethan and Kinsey Wysong, who was delivered at 25 weeks gestation on June 7 is now **HOME!!** She is smiley and responsive and continues to slowly gain weight. Pray for the Wysong family to adjust to this new stage, for Laney's lungs to continue to heal, for her to tolerate her feedings, and for positive response to her therapies.
- ☐ **Annette Spicer**, who is experiencing severe back pain and will begin receiving injections to help. Please pray that these treatments will help.
- ☐ **John Mize**, who had back surgery on February 5. He has an advanced case of spinal stenosis and had a L4 and L5 decompressive fusion procedure. Please pray for his recovery.
- ☐ **Hannah Ellinger**, who is having issues with Crohn's Disease and mental health struggles. Pray for her Crohn's symptoms to subside and especially for clarity of her thoughts.
