

**Pray for always:**

- God’s blessing on the President** and all those in leadership in our nation, state and city.
- All members of our staff** as they seek to honor the Lord in their respective ministries.

**Missionary focus of the week:**

- Life Centers of Indianapolis

**New Prayer Requests:**

- Donna Harrison**, who has been diagnosed with congestive heart failure. Over the next few weeks she will meet with her medical team to discuss a potential valve replacement. Pray for Donna as she navigates these appointments and for health.
- Chery Thorpe**, who fell and tore the meniscus in her right knee and has soft tissue damage in her left hand. She is experiencing a lot of pain. Please pray for her pain level to decrease.
- Derek & Erica Vires**, who are both experiencing some ongoing illnesses. Pray for their bodies to heal and for them to begin to feel better soon.
- Jack Haun’s grandson, Brett (31)**, who has a blood disease that is attacking his transplanted (2016) kidney. He is currently receiving dialysis three times a week and it is helping somewhat. Please pray for his kidney to be healed and full function to be restored.

**On-going Requests:**

- Laney Ruth Wysong**, daughter of Ethan and Kinsey Wysong, who was delivered at 25 weeks gestation on June 7 is home and is doing well. She is smiley and responsive and continues to slowly gain weight. Pray for Laney’s lungs to continue to heal, for her to tolerate her feedings, and for positive response to her therapies.
- Darrell Steven’s mother, Letha Stevens**, who has been released to a rehab facility. Please pray for Darrell to be able to complete the necessary paperwork for his mother to be accepted into an assisted living facility and for Darrell and his brother as they plan to clean out her current home.
- Debbie Anderson’s brother, Chris**, who had an aortic valve replacement surgery on April 19. Chris’s twin, Jeff, has also had an aortic dissection. The remaining five biological siblings have all been instructed to get genetic testing. Debbie had a specialized CT on April 20 to check on her health. Pray for the entire family. Also, pray for the salvation of Jeff and his wife, who are Jehovah Witnesses.
- Elaine Corbin**, who has a muscle strain in her left leg. Physical therapy is easing her pain and she is hopeful for a full recovery. She has three more weeks of therapy and appreciates prayer for continued recovery.
