

**Pray for always:**

- God's blessing on the President** and all those in leadership in our nation, state and city.
- All members of our staff** as they seek to honor the Lord in their respective ministries.

**Missionary focus of the week:**

- Campus Outreach, Indianapolis

**New Prayer Requests:**

- Donna Harrison**, who has been diagnosed with congestive heart failure. Over the next few weeks she will meet with her medical team to discuss a potential valve replacement. Pray for Donna as she navigates these appointments and for health.
- Darrell Steven's mother, Letha Stevens**, who is hospitalized with congestive heart failure and an infection. She has recently been placed into hospice care. Please pray for Darrell and his brother as they care for her the best they can.
- Brenda Hester**, who was scheduled to have a heart catheterization on May 14 but was unable to have procedure done due to fear, oxygen levels and blood work markers. Please pray for Brenda as she waits for the procedure to be rescheduled and for the Lord to be near to her. Pray for her husband, Hershel, and her sister, Linda Welter, who is also having some health issues.

**On-going Requests:**

- Laney Ruth Wysong**, daughter of Ethan and Kinsey Wysong, who was delivered at 25 weeks gestation on June 7 is home and is doing well. She is smiley and responsive and continues to slowly gain weight. Pray for Laney's lungs to continue to heal, for her to tolerate her feedings, and for positive response to her therapies.
- Debbie Anderson's brother, Chris**, who had an aortic valve replacement surgery on April 19. Chris's twin, Jeff, has also had an aortic dissection. The remaining five biological siblings have all been instructed to get genetic testing. Debbie's test results showed no abnormalities. Her twin is in the process of testing and she is waiting to hear results from another brother. Continue to pray for Chris and Jeff. Also, pray for the salvation of Jeff and his wife, who are Jehovah Witnesses.
- Chery Thorpe**, who fell and tore the meniscus in her right knee and has soft tissue damage in her left hand. She is experiencing a lot of pain. Please pray for her pain level to decrease.
- Jack Haun's grandson, Brett (31)**, who has a blood disease that is attacking his transplanted (2016) kidney. He is able to give himself dialysis at home. Brett needs a new donor kidney. His first donor was his twin brother and was a perfect match. He is able to work a few hours a day and his employer has been gracious with him. Pray a match can be found soon.
