

Pray for always:

- God's blessing on the President** and all those in leadership in our nation, state and city.
- All members of our staff** as they seek to honor the Lord in their respective ministries.

Missionary focus of the week:

- The Fraser family serving in Budapest, Hungary.

New Prayer Requests:

- Terri Gent**, who accidently burned her legs with a hot liquid. Her legs have blistered and she is in a lot of pain. She is diabetic so this could be very serious for her. She is seeking medical attention. Please pray for her to recover quickly and for there to not be issues with her diabetes.
- Dick and Libby Davis' grandson, Cooper**, who has been suffering with severe Crohn's disease and had bowel resection surgery on June 17. His recovery has been slow. Pray for him to stay positive and for him to continue to heal and that he will have long-term results from this resection.
- Debbie Jordan**, who is in hospice care and will likely meet Jesus soon. Please pray for her and her sister, who is caring for her.

On-going Requests:

- Laney Ruth Wysong**, daughter of Ethan and Kinsey Wysong, who was delivered at 25 weeks gestation last year. Laney turned one on June 7! She is getting close to sitting up on her own and is working on taking more food by mouth. She's on oxygen at night only now. Prayers for her continued progress with her developmental milestones, taking food by mouth, and weaning off g-tube feeds. Also, please pray for wisdom for Ethan and Kinsey as they navigate the medical system and patience as things don't always happen as quickly as desired.
- Debbie Anderson's brother, Jeff**, who doesn't see a doctor regularly. Also, pray for the salvation of Jeff and his wife, who are Jehovah Witnesses.
- Jack Haun's grandson, Brett (31)**, who has a blood disease that is attacking his transplanted (2016) kidney. He is able to give himself dialysis at home. Brett needs a new donor kidney. His first donor was his twin brother and was a perfect match. He is able to work a few hours a day and his employer has been gracious with him. Pray a match can be found soon.
