Isaiah 55:1-11

Pastor Garrett talked about the idea of thriving, which he defined as growing and developing well. Garrett said the Bible teaches that we thrive when we receive from the Lord and respond with worship.

1. Are you more naturally able to give a gift or receive a gift, act of service, etc.?
2. What are you prone to trusting in, instead of God (your effort, entertainment, money, etc.)? How is it going with trusting that God is the supplier of everything that you need (Cf. Phil. 4:19)?
3. How is it going with regularly repenting of sin when the Lord brings it to mind? What are you prone to doing instead of repenting (ignoring the sin, justifying, getting defensive, etc.)?
4. When was a time in your life or season of your life where the Lord ministered to you in a meaningful way? If there are verses or ideas from Scripture He used, then share those as well.
5. What situation(s) would you appreciate prayer for in your life right now for a deeper trust in God and a fuller obedience to Him?
