KEYBOARD LAB AT CHURCH OF THE INCARNATION

TEAMWORK, LEADERSHIP, AND SKILLS FOR LIFE

Each boy and girl receives significant individual attention in piano/keyboard skills, voice lessons, and music theory in a stimulating and fun environment.

Children learn to read music as a team through singing the finest sacred compositions, from the 16th century to the present day.

In recognition for their service to the church, all choristers receive a stipend, are eligible for monthly bonuses, and annual choir tours, recordings, and trips!
