Reflection from team members

"Interacting with university students in Cambodia was a incredible experience. We discussed how Christian values - love, hope, and purpose - can fuel their dreams and impact their nation. Our time together was a living example of the biblical command: 'Therefore encourage one another and build each other up, just as in fact you are doing.'"

"Visiting the Dump Hill community was one of the most profound and memorable experiences of the Cambodia mission trip. It was a humbling reminder that true ministry is not just about providing aid, but about embodying Christ's love, offering dignity, and walking alongside the needy with both compassion and action."

"This trip was full of inspiring and memorable moments. Most notably, the connections we formed with the students were truly special, and we are eager to continue supporting their journeys."

August 16, 2025 - It was a beautiful Saturday morning and our group of 13 Union Church members, including 9 youth, brought a fun and heartwarming puppet show, "The Story of Aladdin," to the residents at **Home of Love and Faithfulness (HOLF)**. The UC youth showed real teamwork and good vibes as they put on the performance. We also had the opportunity to walk around the HOLF facilities and learn about their ministry. It was a joy to share laughter with the residents and staff, and we look forward to coming back with another show soon!

Prayers

- **PRAY** for the Holy Spirit to set our hearts on fire for reaching the lost, the hurting, and the marginalized in our own neighborhoods and in far away places, and sharing the Gospel with them. May the UC community be united as a church that loves unconditionally, serves sacrificially, and proclaims your truth boldly.
- **Bless the City** on September 13
 - Pray for God's guidance as we coordinate outreach efforts with eight different ministries across Hong Kong, serving unique communities from kids, elderly, to marginalized groups. This year we also have a family-friendly environmental outreach—a wonderful way for parents and young children to care for God's creation together. May God grant us good weather to carry out all the outreach activities.
 - Pray for active engagement from our congregation in these outreach opportunities—that many would step forward to serve, and that through hands-on mission work, God would ignite a lasting passion for service in their hearts. May this experience deepen our love for Christ and our neighbors in Hong Kong.
