WEDNESDAY NIGHTS @ THE STONE

A Study of the 12 Disciples

A study of the 12 disciples, also known as apostles, will reveal their diverse personalities and roles in the early Christian church. They were chosen by Jesus and played a crucial part in spreading his teachings after his death and resurrection, ultimately founding the Christian church. Jesus selected the 12 disciples to be his primary followers and witnesses during his ministry. The 12 disciples came from various backgrounds, including fishermen, tax collectors, and others. After Jesus's ascension, the 12 disciples became the leaders of the early Christian community, spreading His teachings and establishing churches. Each disciple had a unique personality and story, offering valuable lessons about faith, leadership, and discipleship.

This study is for men only and will be led by Pastor McKissic. Classes will be held in the conference room Wednesday nights at 7pm. May 14, 28 – June 4, 11, 18 – and July 2.

A Study of 12 Select Women of the Bible

There are many virtuous, highly esteemed, reverent, troubled and evil women in the Bible. The Scriptures are filled with a wide spectrum of women using their passions and talents to serve God. From Sarah's faith displayed while traversing back and forth to an unknown land to Jael's decisive assassination of an enemy military leader to Tabitha's faith display through her acts of charity, there are so many different women who glorify God in the Bible. Let's gather this summer and study 12 of these remarkable women.

This study is for women only. Classes will be held Wednesday nights at 7pm. May 28 – June 4, 11, 18 – and July 2.

For Men Only, for Women Only – A Summer Couples Study

So, that's what she means!!! So, that's what he's thinking!!! Discover surprising little things that have big impact in any relationship. See what the latest research reveals about differences between men and women in marriage. Master what is most important to the most important person in your life. Get ready to know "the other half" in a whole new way.

This study is for married couples only. Classes will be held Wednesday nights at 7pm. May 28 – June 4, 11, 18.

Life IQ – A Young Adult Bible Study For Those Who Are 25-35 Years Old

Level Up Your Spiritual Intelligence. Intelligence is not just about knowing the right answers—it's about applying what we know is true to every aspect of our lives. In this series, we will discuss how we can grow more intelligent in four areas of our lives—our mind, spirit, culture, and emotions. As we better understand what it means to walk in these areas of intelligence, we can see how what we think can impact how we follow Jesus and represent him to others.

This coed study is for those ages 25-35. Classes will be held Wednesday nights at 7pm beginning June 4th.

NextGen Summer Nights – An Evening For College Students, Youth, & Children

Join us every Wednesday night for NextGen Summer Nights, a high-energy evening packed with games, laughter, hands-on activities, and life-changing Bible lessons! Designed just for college students, youth and children (all in different groups), these nights are all about building friendships, exploring your faith, and discovering how the Bible connects to your everyday life. Whether we're diving into powerful stories from Scripture, solving team challenges, or just having a blast with fun games, there's something for everyone. Come ready to grow, move, and make memories every week—you won't want to miss it!

NextGen Summer Nights has three (3) different segments, one for the college kids, one for youth in grades 7-12, and one for the children through 6th grade. All activities and classes will be held Wednesday nights at 7pm beginning June 4th. Be sure to grab a calendar of the weekly activities so you will know how to dress for each Wednesday night (as some nights involve water).
