Psalm 67:4 — Let the nations be glad and sing for joy, for you judge the peoples with equity and guide the nations upon earth. How do we fulfill the Great Commission and encourage "unity" among the nations?

It's easy to get overwhelmed by the constant barrage of conflict, division, and pain in the world, is there a solution? In a world so divided, is **unity** possible? Thankfully, things are not as hopeless as they seem. Through all the divisiveness — God comes toward us. Without question, He has been putting into motion His long-term plan to rescue us from ourselves, our brokenness, and a divided world. He says, **"Let the nations be glad and sing for joy"**. Our charge is to come together in community, learn from one another, koinonia with one another, abide with one another, break bread with one another. 1 Peter 3:8: Finally, all of you should be of one mind. Sympathize with each other. Love each other as brothers and sisters. Be tenderhearted and keep a humble attitude.

Jesus said about unity that it is possible and desirable for His followers to be one as He and the Father are one (John 17). He prayed to His Father for this unity. When Jesus said go and make disciples of all nations, He said it with unity in mind.

Topics we'll cover:

- Global South Leading the Way
- Women Leading the Way
- Millennials & Missions
- Bloom Where You're Planted
- Safe Conversations
- Unity Among the Nations
- Missions Inward & Missions Outward
- The Role of the Church in Missions
- How to Mobilize Multiethnic Teams

Have you ever felt stuck in a cycle of unresolved pain, playing offenses over and over in your mind? You know you can't go on like this, but you don't know what to do next.

Living Like You Belong To God

Veronica Griffith, Instructor

Fee - \$7

God calls us to a life of joy, obedience and trust. He calls us to be different from those around us. He calls us to be holy. In this study, you will discover that holiness is not an arbitrary standard within today's church or an unreachable goal of sinless perfection. Holiness is about pleasing God - living in such a way that it's clear you belong to Him. Holiness is what makes you unique as a believer in Jesus Christ. Come explore the beauty of holy living and see why true holiness and true happiness always go together.

5 Love Languages: Singles Edition

Byron Kinchen, Instructor

Fee - \$12

Although originally written for married couples, its concepts have proven applicable to families, friends, and even coworkers. The premise is simple: Each person gives and receives love in a certain language, and speaking it will strengthen that relationship. For singles, that means you can:

- Understand yourself and others better
- Grow closer to family, friends, and others you care about
- Gain courage to express your emotions and affection
- Discover the missing ingredient in past relationships
- Date more successfully and more

Whether you want to be closer to your parents, reach out more to your friends, or give dating another try, The 5 Love Languages: Singles Edition will give you the confidence you need to connect with others in a meaningful way. "Nothing has more potential for enhancing one's sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively."
