**PROSTATE CANCER**  
**Summit**

In light of several members of Cornerstone being diagnosed with prostate cancer in recent years, we think that now is the time to share critical information with our male members and guests. According to statistics, Black men have a higher risk of prostate cancer and are more likely to die from it if not caught early. We want to break that cycle and host a Cornerstone Prostate Cancer Summit, April 5 from 10am – 12pm. We will hear from a Urologist, have a time of prayer and hear testimonies from survivors. We want to encourage all men age 40 and up to participate in this summit. We will have a continental breakfast available and need the men to RSVP for this event. Text in the word "info25" to 817.468.0083 to RSVP and let us know that you will be in attendance. Invite a brother to join you at the summit.
