Life Lessons From James: Practical Wisdom

Do your Monday actions reflect your Sunday worship? How about your claims to faith? Is your life full of noticeable changes and actions? James, the half-brother of Jesus, wasn't impressed with talk. He knew that a life of faith was all about actions that revealed a difference in a person's life. For him, it was not that works save the Christian, but that they mark the Christian. In his letter, he boldly deals with practical issues of faith not bound by culture or place. He shows the importance of living a genuine life of faith. His message is bare-knuckled as he encourages, challenges, and confronts, offering practical words and admonitions to live out our faith. As you read, study, journal, and discuss the book of James, we will cover these key themes that will be unpacked throughout the book:

MINISTRY OPPORTUNITIES

- God gives us true wisdom.
- Satan tempts to break us; God tests to strengthen us.
- The words we use are powerful and influential.

This a study and fellowship time for college and career young adults. Wednesday nights at 7pm.
