New City Catechism for Kids · Questions 11-20

Each month during Wednesday Night Kids, elementary-aged kids will review one question of the New City Catechism for Kids along with our normal curriculum. The goal is to help kids know the foundational beliefs of the Christian faith. These summaries of the Christian faith can go a long way in helping kids understand the lessons they hear in Scripture.

We are happy to provide free copies of The New City Catechism for Kids for you to use at home. You can also find these questions set to music on Spotify that younger kids may enjoy. We are in the process of recording music for older kids that we will make accessible to you through YouTube, Yoto cards, and digital downloads at a later date.
