CONNECT

Share about a time when NOT getting what you wanted or were asking for was ultimately the better or even best thing for you.

ENGAGE

Read Acts 3

1. In verse 1 we are introduced to the key characters in chapter 3. Who are they, and what do you already know about these two men?
2. In verses 4-5 what do you understand to be the significance of where their attention was directed?
3. In whose name did Peter invite the lame man to stand? Why did Peter include so much detail?
4. What does Peter and John's interaction with the lame man say about what God desires for people?
5. In verse 25, who is the blessing that comes through Abraham's family? What is the blessing He brings to humanity?
6. What is your opportunity to continue in the line of blessing promised to Abraham and fulfilled in Jesus?

PRAY

In your group, share about the blessings for which you are most thankful. Thank God together for the blessings being poured out into your life today.

At North Heights we believe the Gifts of the Holy Spirit are present and active in the lives of every Jesus follower.

PRACTICE

**Praying for God's healing to
pour out on one another.**

- 1 Share with your partner for what you desire healing in your life? (physical, emotional, or spiritual)
- 2 Taking turns, ask God to bring healing to your prayer partner in Jesus' name.
- 3 When you receive prayer, expect God to heal and be aware for changes in your body.
- 4 Share with your prayer partner what you experienced when being prayed for.
