GLOBAL SPOTLIGHT

M&R - Asia

Our long-time global partners, M & R (names concealed for safety & privacy), continue with their Bible translation work in Asia. At this point, all the books of the Old Testament have been translated and are available to read and download online. Work continues on the translation as the text as a whole is proofed, style is checked, terminology is unified, and final decisions are made. To read more and see prayer requests, visit northheights.church/outreach/.
