OUR MISSION

Our mission is to give counsel on the basis of truth as it is in Jesus to meet individual needs, without legalism or judgement.

This service is offered to all who desire clear, simple, truth-oriented, reality-based counseling—without cost.

Ministering
the truth to each
person's needs.
Truth that sets
people free.

OUR STAFF

The counseling staff consists of men and women who have clearly sensed God's call to serve others through this ministry. Each counselor has undergone intensive training that covers psychological and theological understanding as well as spiritual counseling procedures.

The aim of our counselors is to offer the highest quality counseling services commensurate with their level of training and with the assurance that Christian goals and values govern all procedures.

We protect your confidentiality. Feel free to discuss our confidentiality policy with your counselor. Each month a retired physician is available to our clients for a medication consultation.
