CONNECT

Share about a time when you spoke up for yourself or someone you care for despite uncomfortable circumstances.

ENGAGE

Read Acts 4:23-37

1. In verse 23, who released Peter and John? What were the circumstances that preceded this release?
2. In verse 24, what is the implication of the title "sovereign Lord" to begin prayer?
3. What is the central character trait the believers prayed revealed in verse 29?
4. Define this character trait from question 3 in your own words.
5. What prevents believers today from speaking the Word with all boldness?
6. With whom or where is your opportunity to speak the Word with all boldness?
7. In verse 32, the believers are described as being of "one heart and soul." Describe this type of unity and identify the "one heart and soul" people in your life.

PRAY

Pray together in your group for boldness--specifically boldness in the areas and with the people you identified in answer to question 6 above.

At North Heights we believe the Gifts of the Holy Spirit are present and active in the lives of every Jesus follower.

PRACTICE

Praying for God's healing to pour out on one another. Week 03

- 1 Share with your partner for what you desire healing in your life? (physical, emotional, or spiritual)
- 2 Taking turns, ask God to bring healing to your prayer partner in Jesus' name.
- 3 When you receive prayer, expect God to heal and be aware for changes in your body.
- 4 Share with your prayer partner what you experienced when being prayed for.
