Just Incase You Didn't Know!

Scriptures
& "References"
Luke 4: 18,19
Ephesians 6:10,11

We have a lot to celebrate. Not only the things man has instituted but there are a lot of things concerning God's Word and what He has done, Amen! We have celebrated Independence Day but how many of you know that God has set us free, just incase you didn't know. Independence Day was celebrated to let us know that the United States declared itself independent from the control of the British rule. Every year it is celebrated with events, ceremonies, gatherings, festivities, parties and fireworks. This is done to remember to celebrate life, the pursuit of happiness per our Bill of Rights and our Constitution of the United States. Although they celebrate the holidays, there are some that still don't feel free. Juneteenth was recently celebrated. That was the commemoration when 250,000 slaves in Galveston, Texas were free by the US Army. This was two years after the signing of the Emancipation Proclamation. This revealed to us that for two years there were slaves that did not know they were free. My God! There was no military presence in Galveston until the military showed up with the orders to free them. It's like that in the world today and right now. Even though two-thousand years ago, Jesus Christ shed His blood for the whole world to be free from sin and the powers of darkness. There are many today in the world knowing they are still not free. Just like in Galveston, it's like that in peoples lives right now. Many that sit in the pews of the church still live bound. Why? Because they have not received their deliverance. Just as those days in Galveston it took an amry to set them free. Today we need warriors in the body of Christ. When He took the scroll and read it in the temple. ***18 The spirit of the Lord is upon me. He has anointed me to preach the gospel to the poor. The slaves were poor back in those days. We have people that are poor today. 19 He hath sent me to heal the broken hearted, to preach deliverance to the captives and recovering of sight to the blind, to set liberty to them that are bruised, to preach the acceptable year of the Lord. Luke 4: 18,19 This is the acceptable year of the Lord.***

This is the year you can accept the Lord. This is a time the Lord can reveal Himself if He wants to do so within this year. We need anointed warriors like our Lord said. We need anointed warriors today to come forth and be a part of the Lord's army in this realm that His will be done like it is in heaven. Those that are willing to fight and wage a good warfare according to **Ephesians 6:10,11...** **"Finally my brethren, be strong in the Lord and in the power of His might. " Put on the whole armour of God that ye may be able to stand against the wiles of the devil.** Fighting the good fight of faith. There are so many that would not taste freedom. You have to stand firm, you've got to fight the good fight. When we stand and fight, we are not alone. We have heavens army fighting on our behalf in the spirit realm. There are so many that would not taste freedom and let them know they are free from sin and the powers of darkness. Let us share the good news of the Gospel. When the slaves got the news from the army, they were excited with joy and were overwhelmed. Some were so confused they couldn't imagine what it would feel like to walk in truth, liberty & freedom. Someone had to deliver the news to them and deliver them from the hands of the oppressor that did not want them to be set free. It's like that today. Somebody has to do the work of the ministry. Give God praise!! That's the way it is now. Over 2000 years ago this was done and we still have people that are unaware. Just incase you didn't know, Jesus died 2000 years ago so that you can be free. The enemy wants to keep you captive as long as he can. Liberty and freedom have been declared and it has come by the way of our Lord Jesus Christ!!
