Fruit of Repentance

Scriptures
& "References"
Matthew 3:8

Nothing humbles you like being on a fast. Hopefully, you will be able to learn something about yourself, the things we need to do, the things we need to repent and get closer to God, Amen. We will fast more often because it will build us up to hear from God more clearly.

Bear fruit worthy of repentance. Matthew 3:8 During a fasting, it is a time of repentance. God would allow us to see thing about ourselves and see things we need to do.. The time of fasting helps us focus on God, His will and His word, Amen. Fruit means the end result of a person's action, faith and spiritual growth. Repent means to change ones mind. Sometimes we have our mind set on what we want and God wants to change our mind. He wants us to focus on His will not on our will. Repent also means to turn away from sin. Not everyone's sin is the same. Some are drinking. That is outward sin and it's evident to the eye. When we fast and pray, God will let us know what we need to change. Repentance also means the act of turning away from sin and turning to God. The Bible is written for us Believers. Sometimes we focus on the outward sin but not the inward sin, Amen. When you really repent, your actions change, your mannerisms change. You not only change the outside with your dress code, you also change how you deal with people, how you deal with things, how you do the right things. True repentance should lead to visible and physical changes in our lives. There is fruit to repentance. There should be an outward manifestation of something when you repent. A person's action and lifestyle should demonstrate a genuine turning away from sin and turning toward God. When we know what to do right and don't do it, that's sin to us.. When we know what's right to do, we must do it quickly and don't think about it. When God tells you to do something and you now it is of God, do it quickly so it can be lined up with the word of God.
