A New Way to Live

We need to praise the Lord and worship Him. Even as believers, we will look unto the true living God and He has provided. And what we don't provide, he will. God makes a ways out of no way. He's a Way-maker. How many of you are ready to go to the next level. We already know He's a Promise-keeper. He is more faithful than we are. And when we are not faithful, God is still faithful. God brings glory to His own name just by being faithful to Himself. How many of you are ready to go to the next level with God, Amen. We think about so many worldly ways. We think about how we want our life to go to the next level. There are levels in our life God wants us to go. There is a new glory on every level and God has released new glory on that level. ⁵For when we were in the flesh, the sinful passions which were aroused by the law were at work in our memories to bear fruit to death. ⁶But now we have been delivered from the law, having died to what we were held by, so that we should serve in the newness of the Spirit and not in the oldness of the letter. Romans 5,6. This is why the title of this sermon is "A New Way to Live!" ²³For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. Romans 6:23. We need Christ more than we ever have before, Amen. We need God's power more than we have before. ¹Or do you not know, brethren(or I speak to those who know the law), that the law has dominion over man as long as he lives? Romans 7:1 Paul uses the covenant law of marriage as an example for those who believe the law. ²for the woman who has a husband is bound by the law to her husband as long as he lives but if the husband dies, she is released from the law of her husband. Romans 7:2 We know what the books of the law are, those are the books God gave Moses,

Exodus, Deuteronomy, Leviticus etc...which is still made reference to today. Paul had a revelation he was revealing to the church and what Apostle Paul was saying that Christ established a new way to live. Christ was revealing something different to Paul and revealing the reason for his conversion because we know he was converted on his way to Damacus. The law has dominion over man as long as he lives. When paul speaks of "a woman is bound by her husband aslong as he lives but when he dies, she is released by the law of her husband. Death brings about a separation. As long as life is present, you are bound by it. The old you has to die for the new you to live. Your old way of thinking has to die if you are going to walk in the newness of life. Christ came and established a new way to live. We still have people living by the law today, for example, here and other country. But according to the law, it's producing death in their life. The scripture in romans 6:23 says, The wages of sin is death. Sin is connected by being revealed by the law but the gift of God is eternal life though Jesus Christ. Remember, Christ is the living word
