1 CHRONICLES 16:25 (NIRV)

Magic tricks and illusions have a way of sparking wonder and curiosity. But long before today's magicians, Daniel and his friends stood out during the Babylonian exile. They were wiser than the magicians and astrologers of their time because they looked to God for wisdom. Through their brave actions and wise choices, they showed God's power to everyone around them—no tricks needed! Following along the book of Daniel, this month focuses on revealing who God is by how we live.
