Candice & Monica	7 session workbook/video study for women	“Seamless... understanding the Bible as One Complete Story” by Angie Smith.	It really helped to weave the narratives of the whole bible together for me and for the ones that were in the study with me! I periodically go back and do it again as a reminder of order and how things flow together in a timeline. The name tells why I like it. It gives me a broad understanding and overview of how you get from one event to the next in an orderly way and as a complete picture.
Candice & Lauren T.	Book - 6 session interactive study guide is available	Bait of Satan by John Bevere	This book equips people to be unoffendable and gives you spiritual eyes to see where the enemy can lay traps for you and gives you the wisdom on how to combat those things.

Kylie	Book - discussion questions available online	A Shepherd Looks at Psalm 23 by W. Phillip Keller	This is an amazing book that breaks down Psalm 23 through the eyes of someone who understands the life of a shepherd. It expands on an already loved passage of scripture but adds new weight to what the psalmist is saying.
Lauren E.	Book - Leadership Development	How to Know a Person by David Brooks	Disclaimer – this is not a Bible study, but this is a resource to help you foster and develop some key relational skills to love others well.
Lauren T. Not a Fan gives you the tools you need to determine exactly where you stand when it comes to your relationship with Jesus.

Stephanie	Book - Historical Christian Fiction with study questions	A Lineage of Grace by Francine Rivers	It's five different stories about women in the Bible: Tamar, Rahab, Ruth, Bathsheba, & Mary. At the end of each, there are discussion questions for a Bible study. It really brought their stories to life. Great for women's bookclub!
Taylor	Book - Leadership Development	Managing Leadership Anxiety: Yours and Theirs by Steve Cuss	This book is great for anyone in leadership whether at work or at home. We are all susceptible to feeling the pressure of having to figure it out, and this book gives practical tips for how to navigate the pressures with a biblical mindset, keeping God as our focus and source of strength.
Taylor	Book	Misreading Scripture with Individualist Eyes by E. Randolph Richards and Richard James	A fresh perspective on how and why the Bible was written the way it is. In America, we experience an individualistic culture which creates a lens to how we view the Bible. However, the Bible was written in a collectivist culture, so there are many things that can be viewed through a collectivist lens which can give us a fresh perspective on God's Word.
