

WEEK TWO: WITHOUT SHAME

Big Idea: The male and female expressions of God's image in humanity find part of their respective purposes in the husband and wife roles of marriage.

Scriptures: Genesis 2:24-25

- 1. How has the world or your experiences shaped your view of marriage? And how is it the same as or different from the biblical definition of marriage?**
- 2. Why do you think that the first mention of shame in the Bible discusses the absence of shame? What does being unashamed in relationship feel like?**
- 3. In what ways does this discussion shape how you want to follow God in your current stage of life, whether it's marriage, singleness, dating, etc.?**

Practice: This week, pray with your spouse, a close friend, or small group member, for God to reveal to you one clear truth He desires for you to take from this piece of scripture, and what to do with it. Share the next time you meet together.
