Sunday Service Schedule
Your Feedback Requested

We are considering a change from three services to two services on Sunday mornings starting on Sunday May 26th (Memorial Day weekend). More time between two services than with the current three services could provide value in many areas:

- Families will be able to worship together. Sunday School will be held between services. Today, most children attend Sunday School and do not attend worship.
- Confirmation classes on Sunday mornings between services (moving from Wednesdays) will allow families more time during the week.
- Both the pastor and vicar will be at both services and have more time to interact with worshipers and lead Bible studies between services.
- More fellowship opportunities could include doughnuts, muffins or maybe even a pancake breakfast in the gym with fellow worshipers between services.

One idea is to change to two services starting at 7:45 and 10:00. Would you be okay with this change? Would you prefer to stay with the three services? Or would you prefer two services at different times than 7:45 and 10:00?

Please provide your comments in the space below. Your feedback is very important. A Voter's Meeting will be scheduled after we hear from you.

Comments: _____

You can give your survey response to an usher or drop in the marked box in the Welcome Center. You can also drop your survey off at or mail to the Church Office.

Copies of the survey will be available with the service announcements starting Sunday February 18 through Sunday March 3rd and in the March edition of The Voice. Please try to submit your response no later than the week of March 3rd.
