# AN INVITATION

At Community Christian Academy, we believe every child is a gift from God, and deserving of an education that nurtures their mind, shapes their character, and draws their heart closer to Christ.

Through our Christ-centered, classical education, we prepare students not only for academic success, but for lives marked by purpose, integrity, and service.

This work extends far beyond the classroom. As a church community and a family of supporters, we have the opportunity to help shape a generation that will serve their families, strengthen their churches, and bring the light of Christ into the world.

Our 2026 Year-End Giving Campaign seeks to raise **$200,000** to strengthen the resources learning environments, and student support that help advance our mission. **Together, we can equip students to think deeply, live faithfully, and lead courageously- for the glory of God and the good of the world.**

With Gratitude,

THE WHY

# MORE THAN AN EDUCATION

*"To equp the saints for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ."*
**EPHESIANS 4:12**

The responsibility of forming the next generation does not belong to parents and teachers alone. God has given the church a vital role in equipping His people, strengthening families and preparing believers to live out His purposes. Christian education is one meaningful way the church can come alongside parents in this calling- grounding children in biblical truth while cultivating the wisdom and character they need to follow Christ faithfully.

At Community Christian Academy, education is about more than academic achievement. Through a scripture-rooted worldview and classical Christian education, students are challenged to think deeply, pursue wisdom, recognize what is good and true, and understand their lives in light of God's greater purposes.

**Why does a small school matter?** Because the significance of this work cannot be measured by the size of a classroom. Each child is a life entrusted in our care, with gifts to cultivate, truth to learn and a future in which **to love Jesus, love others and serve.** When a church invests in the formation of its children, it invests in the future of its families, its community and the body of Christ.

THE WORK

# WHAT WE BUILD TODAY SHAPES TOMORROW

*today's investment, tomorrow's fruit.*

An excellent education takes intentional investment. It requires dedicated educators, a strong academic program, meaningful opportunities, and resources that allow students to explore, discover, and grow. At Community Christian Academy, these pieces work together to create an environment where students are challenged, supported and equipped to pursue excellence.

### ACADEMIC EXCELLENCE

A rich classical curriculum and dedicated instruction help students develop strong foundations

### CHARACTER IN PRACTICE

Daily responsibilities, meaningful relationships, and a Christ-centered school community to provide opportunities to practice perserverance, integrity, humility, and service.

### OPPORTUNITIES TO FLOURISH

Engaging lessons, hands-on discovery, and resources suited to students' needs enrich the classroom experience.

This work is made possible through the commitment of our educators, the partnership of our families, church community and the generosity of those who believe in CCA's mission.

*"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."*
**EPHESIANS 2:10**
