

The Ladies Quilting and Craft Group is sponsoring a drive to make lap blankets for Veterans who are currently in Hospice in our surrounding community. Our goal is to share the love of Jesus Christ and to demonstrate our thanks for their service to our country.

- The lap blankets may either be sewn, crocheted or knitted.
- The dimensions should be 40x60 inches and
- The colors red, white and blue.
- Most importantly the **lap blanket must be washable.**

Please submit your lap blankets to the church offices by April 30th.

If you have questions, please contact Lyn Gundrum.
