## **PURPOSE**

History Jesus says in Matthew 28:19-20: "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son, and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." In order to carry out this task of teaching, Immanuel Lutheran Church founded Immanuel Lutheran School in 1882 for the purpose of giving to the youth of the congregation a Christ-centered education.

Today the church is committed to its mission while extending it to the greater Lee County community and beyond in an effort to create a diverse community of courageous Jesus followers. The school's role in accomplishing our mission is to partner with parents in bringing them (our children) up in the training and instruction of the Lord as it says in Ephesians 6:4. Immanuel Lutheran Church and School exists to assist parents in fulfilling this directive by proclaiming the life, death, and resurrection of Jesus Christ. Through the years the children attending Immanuel have been given instruction based upon a curriculum which holds the spiritual growth of the child to be of greatest importance while maintaining high academic standards in other subjects.

## **PHILOSOPHY OF IMMANUEL LUTHERAN SCHOOL**

Immanuel Lutheran School is an integral part of Immanuel's ministry. Its purpose is to serve the Lord and assist parents to "bring them (our children) up in the training and instruction of the Lord" Ephesians 6:4. Immanuel Lutheran Church and School exists to assist parents in fulfilling this directive by proclaiming the life, death, and resurrection of Jesus Christ. Our school maintains an environment, where Christ's love permeates every aspect of the school day. The goals of Immanuel Lutheran School are:

1. Love; through Jesus in Mark 12:29-31.
2. Faith; through Jesus in Ephesians 2:8-9
3. Literacy; through research-based standards of Listening, Speaking, Reading, and Writing.

## **LOVE**

The Great Commandment: "And one of the scribes came up and heard them disputing with one another, and seeing that he answered them well, asked him, "Which commandment is the most important of all?" Jesus answered, "**The most important is, 'Hear, O Israel: The Lord our God, the Lord is one. And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.'** The second is this: '**You shall love your neighbor as yourself.'** **There is no other commandment greater than these.**" And the scribe said to him, "You are right Teacher. You have truly said that he is one, and there is no other besides him. And to love him with all the heart and with all the understanding and with all the strength, and to love one's neighbor as oneself, is much more than all whole burnt offerings and sacrifices." And when Jesus saw that he answered wisely, he said to him, "**You are not far from the kingdom of God.**" And after that no one dared to ask him any more questions." Mark 12:29-31.

Love is also separated and delivered in the light of Affirmation, and Shame vs Guilt. Keeping in mind that learning occurs in the context of a relationship.

## **FAITH**

By Grace Through Faith: "For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast."  
Ephesians 2:8-9.

Faith is incorporated into every lesson in our classroom. We advance our Faith formally with dedicated class time and lessons from the Lutheran Religion. We also promote Faith through our weekly chapel services.

## **LITERACY**

Conventional studies regarding the literacy of Reading are very well researched and developed. The Literacy we are promoting is more appropriately focused on learning and language acquisition. Our pillars of Literacy are rooted in the four stages of language acquisition: Listen, and Speak; Read, and Write. Your child will experience a campus-wide standard on how we promote Literacy, together.

## **ADMINISTRATION**

The operation of Immanuel Lutheran School rests primarily with the Voters' Assembly of Immanuel Lutheran Church. The congregation elects a Board which has the responsibility for the operation of the school. This board is known as the Board of Christian Day School. This handbook outlines the policies under which the Board currently operates the school. The Principal of the school is the executive officer. He carries out the policies and resolutions of the Board and the congregation's Voters' Assembly.

Current Board Members and Bylaws are available at [ilgtx.com/schools](http://ilgtx.com/schools).

## **ACCREDITATION**

Immanuel Lutheran School is accredited with the Texas District, Lutheran Church - Missouri Synod, Lutheran School Accreditation Commission, and also with the National Lutheran School Accreditation Commission. These accreditations are accepted by the Texas Private School Accreditation Commission (TEPSAC) and by the Southern Association of Colleges and Schools accreditation processes.

## **BASIC CURRICULUM**

### **Introduction**

The children in Immanuel Lutheran School are taught to love the Lord through Mark 12:29-31, exhibit faith in Christ through Ephesians 2:8-9, and the framework of Literacy in listening, speaking, reading, and writing in a uniform manner at Immanuel.. The Love, Faith, and Literacy framework is intentionally provided so that our children can rapidly acquire new knowledge and skills in their learning environments.

### **Religion**

Religion is a way of life and is lived with the children throughout the day in all their school activities. As a formal course, the study of religion includes Christian living, Bible study, Bible history, memory work, and worship. The Bible is the primary textbook with supplemental material from other Lutheran sources. Children become familiar with the stories of faith in the Old and New Testaments. They can relate to many of the heroes of faith and are encouraged to live out their faith in their interactions with other students, teachers and parents.

### **Language Arts**

God has made man a social being. As such, man must communicate with others, and others with him. To make this possible, God gave man the power of thought and thought expression (language). The language-arts curriculum is designed to help your child glorify God. Whether your child reads, speaks, or writes, they are developing their God given talents. This fundamental motivation may need to be supplemented in practice by other incentives, but it must remain basic. Children will be able to interpret written and spoken symbols. They will increase their ability to use these symbols in dealing with others. They will grow in word recognition, correct spelling, neat handwriting, and oral and written expression. They will grow also in their appreciation of the Bible and contemporary and classic literature and in their ability to choose reading matter wisely. The Language Arts curriculum includes reading, literature, phonics, grammar, composition, spelling, and handwriting.

### **Reading Lab**

Reading Lab is a new elective (5th-8th grade) course assigned at the joint discretion of the language arts teacher and parent. This course offers a direct-teach model to improve phonics, reading fluency, comprehension, and independent reading skills. Reading Lab is ideal for children seeking to improve general reading and comprehension skills. Placement in Reading Lab can be defined by a short-term placement, or long-term placement, and with the mutual agreement of both teacher and parent.

### **Mathematics**

When God created the universe He placed its elements in a mathematical relation to one another. God also enabled man to discover and systematize many of these relationships. The idea of the number is a fundamental mathematical relationship. Understanding numbers has helped man to build his cultures, to subdue the earth and have dominion over it (Genesis 1-28). Though man has used his intellect to establish a number system, the Christian recognizes that

this system is God's gift to mankind. The mathematics curriculum will help our children appreciate the meaning and value of numbers and how it is to be used in serving God and our neighbors and it will establish skills in the basic processes and in problem solving. Mathematics will develop an understanding of measure and the principles underlying common business transactions. It will also help the children gain skills in understanding mathematical data found in reading and in making correct judgments based on such data as well as helping them to become better citizens.

### **Math Lab**

Math Lab is a new elective (5th-8th grade) course assigned at the joint discretion of the math teacher and parent. This course offers a direct-teach, tutorial style, learning environment to children who benefit from personalized support and tailored instruction in a small, discrete, classroom setting. Math Lab is ideal for children seeking to reinforce classroom learning, prepare for exams, and enhance study topics in a supportive setting with their teacher. Placement in Math Lab can be defined by a short-term placement, or long-term placement, and with the mutual agreement of both teacher and parent.

### **Social Studies and History**

The Scriptural commands to "rule the earth" (Genesis 1:28) and to "love your neighbor" (Matthew 22:39) are especially applicable to social studies and history. Children will learn about their environment, neighborhood, community, county, state, country, and the world they live in. The interactions between societies and the events that caused major changes are studied and children will discover how God's hand was working through each timeline. Patriotism, respect for the military, and a study of influential leaders add depth and understanding of world and national issues. The curriculum includes history, geography, economics, government and current events.

### **Science**

Science at Immanuel begins, continues, and ends with God. With the psalmist we say: "The heavens declare the glory of God, and the skies proclaim the work of His hands." (Psalms 19:1). Science helps the child to see God as He has revealed Himself in His creation. His love, wisdom, power, and glory are seen in all living creatures, in the order of nature, and in the variety and awe for the Creator and Preserver. The curriculum includes training in the scientific method, opportunity for personal scientific experiences, and both biological and physical elements.

### **Music, Band, and Choir**

Music is an entry level course designed to provide access to musical elements of rhythm, pitch and tempo, as well as listening skills, vocal skills, and instrumental play. Music allows the exploration of creativity, collaboration, and appreciation of music. Band is a course designed to enhance instrumental skill, technique, and ensemble play. Students will explore music literacy, rehearsal, performance, and the camaraderie of group performance. Choir is a course intended to introduce students to the joys of harmony and choral music. Vocal technique, singing, and expression are encouraged to explore the children's vast array of vocal talents.

## **Art and Digital Art**

Art class encourages the children to explore creative expression, exploration of art forms, and develop their artistic skills. Children will interact with multiple modes of art, develop showcase techniques, and discover engaging projects and activities.

## **Technology**

Beginning in first grade, students are taught the basics of word processing, spreadsheets, drawing, electronic communication, presentations, web-based research, and web design. A cohesive curriculum helps students advance through various levels of skill development with the use of technology. Included in these uses are units of coding, the use of virtual reality, and a variety of web-searching techniques. Students are taught the proper use and etiquette of the internet and social media as well as ways to stay safe while using technology. Each student will have access to a Chromebook lap-top computer.. Students are financially responsible for any damages to their assigned Chromebook computers.

## **Health, Safety, and Physical Education**

Man is God's highest creation. But man's body, carefully fashioned by God, is no longer perfect. The fall into sin changed that. Still, the body is an awe-inspiring creation, one that leads the Christian to say: "I will praise You, because I am fearfully and wonderfully made; Your works are wonderful, I know that full well." (Psalms 139:14). The health, safety, and physical education curriculum at Immanuel includes health services and health education, safety instruction, and physical and recreational activities. It uses the classroom, gymnasium, and playground. The program seeks improved social relationships characterized by concern for others, fair play, and sportsmanship. It seeks an understanding of body growth, function, developmental processes; a wholesome attitude toward safety, hygiene, and personal appearance; and a healthy mind free from tensions.

## **PSIA (Private School Interscholastic Association)**

As approved by our Board of Education we are requiring that every student in 3rd grade - 8th grade participate in PSIA. Participation by students in Kindergarten, 1st grade, or 2nd grade is highly encouraged, but not required.

We will require a volunteer for each participant the day of the competition.

## **ENRICHMENT CURRICULUM**

The curriculum of Immanuel Lutheran School includes the school's total program for students. Elements of the curriculum here classed as elementary and middle school "specials" are an important part of our school life. They provide children with learning experiences that usually cannot be offered effectively within classroom limits. These activities include student participation in Athletics (Flag Football, Volleyball, Basketball, Soccer, Fundamentals of Baseball, Fundamental of Softball, and Cheerleading), Private School Interscholastic Association academic competitions, Accelerated Reader program, Theater, Yearbook, Capstone, Nature Club, Robotics Club, Puzzle Club, and more.

### **Valedictorian/Salutatorian Policy**

The top five 8th grade students will be ranked in order according to the averages of all the grading periods from the student's 5th-8th grade years or as many middle school years as the student is in attendance. A minimum of two years attendance is necessary to qualify. During the 8th grade year, the averages from the "1st 9 Weeks", "2nd 9 Weeks", "3rd 9 Weeks", and "4th 9 Weeks Mid-Term" will be used. The highest ranked student shall be the Valedictorian and the next highest shall be the Salutatorian. The Valedictorian and Salutatorian must have been enrolled at Immanuel at least two full years to be eligible for these honors. All grades recorded on the report card will be considered for ranking. In case of a tie, co-valedictorians or co-salutatorians shall be named..

### **Progress Reports**

Progress reports are emailed in three-week increments if parents have not requested otherwise. Grades are accessible at <https://familyportal.renweb.com/>.

### **Eligibility**

Students are ineligible to participate in sports, cheerleading, band competitions, spelling bees, field days, or PSIA if they have an average lower than 70% in any of the subject areas when grades are checked on Wednesday of the mid-term at 4:00 p.m. Students are also considered

ineligible if they are serving a suspension for discipline purposes. Upon administrative review, ineligible students are required to practice but may not play for three weeks.

### **Reports to Parent(s)**

It is the policy of Immanuel Lutheran to view the education of your child as a cooperative venture between teachers and parents. Reports are made regularly to parents as to the growth of the child in various phases of school and personal life. Report cards are issued four times a year in nine weeks increments. These reports are supplemented with scheduled parent-teacher conferences, electronic communication, and online access to grades.

### **Tutorials**

If a student is failing at the end of any progress report or grading period, the parents and teacher will discuss the need for tutorials or intervention..

### **Promotion and Retention**

Kindergarten promotion is based upon the child being developmentally ready for 1st grade. Criteria for such a decision is based upon social skills, academic development, physical motor skills, teachers' observations, and a collective teacher, parent/guardian, administrator conference. Achievement test results will also be considered when making a final decision. Promotion to the next grade level for 1st grade through 8th grade is primarily dependent on passing each subject with a grade of 70% or better. A student will not be retained more than once in Kindergarten through 8th grade.

### **Assignments**

Students are required to complete all assignments. Assignments will vary from teacher to teacher and from subject to subject. While much will be completed at school, some assignments by their very nature require they be done at home. When it is necessary that students bring assignments home for completion, we request the parent's cooperation.

### **Homework and Daily Grades**

Homework is the additional practice of skills taught in the classroom. It is assigned at the discretion of each teacher and is to be useful for the mastering of the skills taught. Students are required to complete all assignments and will receive at least one daily grade per week.

### **Tests and Quizzes**

Tests and quizzes are given to check and assess for mastery of a topic or subject. When assigned, students are required to complete tests and quizzes under the supervision of a teacher and within a prescribed amount of time. Students will receive at least three test grades throughout a 9-week grading period.

### **Late Work or Re-Do**

Our students are expected to turn in their assignments on time; however, sometimes an assignment does not get finished. Students will not be given full credit for late work. Missing

work will be recorded as a 0 (zero) until the work is turned in. The teacher will decide what deduction is given according to the circumstances.

Late work or "Re-Do" assignments will receive at most 70% credit. All late work must be turned in to receive a grade no matter the actual percentage.

Students who miss classes are allowed extra time to turn in or complete work assigned. Generally, this time is equal to the number of days missed. For classes that do not meet daily, students are given the same extra time counting each school day, not class day. Students who miss a class because of a school activity are responsible to complete the work from the missed classes. Teachers are not required to give extra time to complete assignments in these cases but are expected to communicate with and assist students who miss because of a school activity (sports, band, field trips). The teacher has a final judgment for each situation.

### **Special Services**

The classroom teacher, principal, Director of Student Services, Giddings ISD Special Education Department, or other interested party may identify a student who has special or unique needs and recommend that the student be evaluated by a qualified professional for a learning disability or behavioral disability. Once mutually agreed upon, the classroom teacher will implement the recommendations given by a qualified professional under the supervision of the principal. Additional information regarding special services are available by the Director of Student Services and principal.

### **Attendance/Absences**

In order for high academic growth to take place, regular attendance is important. Students are required to be in attendance 90% of the school year. More than a 10% absence rate will require a review of student learning and mastery of knowledge. This decision is made in consultation with the principal, staff, teacher(s), and parents. The Board of Christian Day School will be informed of the decision.

Excused absences must be supported by a written note, or electronic mail from a parent as far in advance as reasonable. Students absent due to illness three or more consecutive days need a doctor's excuse to return to school. School-excused absences include field trips, 4-H events, spelling bees, athletic competitions, band events, PSIA, and any school related activity. School-excused absences do not affect perfect attendance.

Students must be in attendance during the school day in order to participate in a school event on the same afternoon or evening. Exceptions may be made only with the principal's permission.

### **Sign-out and Sign-In**

Parents or parent authorized adults may pick up their children early from school.. The parent or authorized adult is responsible for signing out their child and must sign the "Sign Out Sheet" in

the school office and pick up their child from the school office. The child must be signed-in when returning to school.

**Tardies**

Punctuality is important at school and work. In order to teach this trait it is important that parents leave enough time to arrive before the 7:50 a.m. bell. Tardies will be recorded if a student arrives after 7:50 a.m. Students are expected to arrive at school between 7:20 a.m. and 7:45 a.m. School begins at 7:50 a.m.. **Student, Teacher, Parent Complaint Policy**

Jesus has taught us to condemn gossip as it destroys relationships and reveals a lack of wisdom. However, when a complaint is present the appropriate channel for students, parents or teachers shall be from the complainant to the offending party then to the teacher, principal, and finally to the Board of Christian Day School. Every effort will be made to satisfy the complainant at the earliest possible stage so long as the complaint is presented to the offending party by the complainant.

Whenever a complaint is made directly to the Board as a whole or to a Board member as an individual concerning an offending party, the Board or Board member shall refer this complainant back to the offending party. If necessary, the principal may be informed of the problem or complaint and act as a mutual mediator.

In general, the first step toward solving a student, parent, or teacher problem shall be dialogue between the student or parent or teacher and the offending party. The next step is to involve the teacher or mutual mediator. Every effort should be made to solve the problem at the lowest level. If satisfaction is not met, the third step shall include a meeting with the student, parent, teacher, and the principal. If satisfaction is still not met, the fourth step shall include a meeting with the student, parent, teacher, principal, and the Board Chairman or designated Board Member.. If no satisfaction is apparent after step four, the matter shall be given to the Board of Christian Day School for their immediate attention.

**Communication:**

God calls us to treat one another with respect and love. He calls us to speak with gentleness. Communication should always be direct with the teacher, principal, or board members. Parents or students who resort to social media to air private grievances publically are not following the guidance of scripture. In such cases, a meeting will be held to resolve the issue or determine if enrollment should be terminated. Please limit texts and calls to teachers during school hours to avoid interruptions and maximize learning time.

**Addendum:**

If critical, the principal shall contact the Board of Christian Day School within a 24 hour period after the incident or complaint has come to the principal's attention.

## **DISCIPLINE POLICY**

### **School Code of Conduct**

“See something, say something.”

This code of conduct is not only at the core of our school, and its safety, but also the core of our community.. The Code begins with a commitment by each student to personal integrity, is expanded by a refusal to condone unsafe and inappropriate behavior, and is strengthened by the support others and of appropriate consequences

### **Motivation for The Code of Conduct**

At the heart of our purpose is the sincere hope for a truly Christian community. For this purpose to be realized, the members of the community must commit to follow the two greatest commandments as expressed by Jesus Christ in Matthew 22:37, 39. The first is "to love the Lord your God with all your heart and with all your soul and with all your mind." The second is "to love your neighbor as yourself." These two commands have called our school community to formulate the Code of Honor as the inspiration and core of an honorable lifestyle. The desire at Immanuel Lutheran School is that its members individually and corporately strive to walk worthy of the calling to faithfully follow Christ.

### **Statement of Classroom Management and Effective Discipline**

Immanuel Lutheran School is a Christ-centered school. All discipline, therefore, should follow Christian principles based on the proper balance of Law and Gospel.

- All student conduct is weighted as “appropriate” versus “inappropriate”.
- The student must learn to do those things that are pleasing to God, and to refrain from doing those things that are displeasing to God.
- The student must learn to help others, not hurt them by word or deed.
- The student acts out of love of God (the Gospel), not out of fear of God or a desire to escape punishment (the Law).
- Acknowledging our sinful human nature, we realize that the Law and earthly consequence must be a part of our discipline program.

The primary purpose of classroom management and discipline is to provide the safest place for children to love, learn, and grow. To accomplish this, we must demonstrate the types of behaviors that are expected and define behaviors which are not allowed. Discipline will not be used to shame a student. Inappropriate student behavior can disrupt the learning environment. To promote the best learning environment, we commit ourselves to the following responsibilities:

The Teacher will

1. Prepare a purposeful, scheduled lesson.
2. Provide timely feedback.
3. Maintain appropriate relationships with all students and faculty members.

The Principal will

1. Provide the time, tools, and training necessary for teachers to provide a purposeful, scheduled lesson.
2. Provide timely feedback to faculty members, students, and families.
3. Maintain an appropriate relationship with all faculty members, students, and families.

### **Child Abuse or Child Neglect Reporting**

Teachers and all school employees are considered professional reporters in Texas and are required by law to report suspected child abuse or neglect immediately, but no later than 48 hours after the initial suspicions of abuse or neglect. Teachers and school employees cannot delegate to or rely on another person to make the report (Texas Family Code § 261.101(b)). Failure to report suspected child abuse and neglect is a crime (Texas Family Code § 261.109).

### **Anti-Bullying Policy**

We are a “See Something, Say Something” campus. Immanuel Lutheran School does not tolerate bullying or inappropriate behavior in any form. We are committed to ensuring a safe, caring, and above all, Christian environment which promotes personal growth and positive self-esteem for all.

God’s word speaks to us regarding our interactions with others:

Ephesians 4:29, 31-32 – Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. Get rid of all bitterness, rage and anger, brawling and slander, along with every form of malice. Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

1 Thessalonians 5:11 – Therefore encourage one another and build each other up, just as in fact you are doing.

Colossians 3:13 – Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you.

The legal definition (Texas Education Code 37.0832) of bullying has been expanded in the following way:

1. Can consist of all communication (direct, indirect, cyberbullying fake profiles, photoshopping photos, fake profiles, or photos).
2. Includes off-campus actions and communications that interfere with a student’s educational opportunities, or significantly disrupts the school environment.
3. No longer has to be a pattern, can be one significant act.
4. Authorities may be notified, and all students’ parents or guardians must be notified.

Students – Resolve issues in a Christ-centered way. Speak to a teacher with details of bullying or inappropriate events. Students who witness bullying will report the incident to a teacher.

Staff – Act as a Christ-like role model. Teach and expect appropriate behavior. Listen to and verify reports of bullying or inappropriate behaviors. Protect victims from further harm. Identify

patterns of behavior and be proactive. Act to stop behavior from reoccurring. Make referrals for additional support when needed

Parents – Let your child know bullying and inappropriate behavior is not tolerated in any form. With staff support, encourage students to resolve the situation themselves. Seek to understand the perspective of all involved regarding the issue. Communicate any concerns to the teacher and principal.

### **Forgiveness and reconciliation**

With Christ as our example, we expect that forgiveness will be sought, given, and received. Our goal is for the students and families to achieve reconciliation.

### **Reporting, documentation, and consequences**

Incidents of bullying and inappropriate behavior will be addressed in an immediate and timely manner. If bullying is identified, a notification form will be completed for acts of bullying. A copy of the form will be sent home and a parent must sign the form to be returned to school the next day. This copy will be retained at school in the discipline file. Progressive consequences will be administered based on the specific behavior and the number of offenses. Examples of consequences include, but are not limited to: privileges removed, detention, suspension, and expulsions. The BCDS will be notified of all suspensions and expulsions.

### **Behavior Reporting**

Appropriate and inappropriate behavior deserves attention. Parents will be notified at the end of each day if their child received a poor behavior report. These and other reports will come from the teacher via a face-to-face visit, telephone call, email, text, or written note. Appropriate behaviors include:

Following directions

Walking safely in hallways

Talking in turn

Productive note-taking

Positive affirmation

Appropriate language

Appropriate body language

Timeliness

Appropriate care of materials and school property

Preparedness

Consequences for inappropriate behaviors will inevitably vary, and are private within the teacher-student-parent relationship, but generally adhere to the following guidelines:

1. Teacher warning and/or conference in the hallway, at lunch, before class, after class, before school, or after school; and may result in appropriate classroom consequences.
2. Principal warning and/or conference which may result in an appropriate classroom consequence, lunch detention, after-school detention, suspension, expulsion, or withdrawal.

Consequences for inappropriate behaviors will likely impact extracurricular activities.

### **Expulsion Policy**

A student may be expelled if the student commits any of the following offenses on school property or while attending a school-related activity on or off school property:

- \* committing an assault Section 22.1(a)(1), Texas Penal Code.
- \* handling or being under the influence of marijuana or alcoholic drink.

### **Student-Student Sexual Harassment or Abuse**

The school shall not directly discriminate on the basis of sex when addressing peer sexual harassment.

**Sexual Harassment by Students**

Students shall not engage in sexual harassment toward another student or a school employee. A substantiated charge of sexual harassment against a student shall result in disciplinary action. Sexual harassment by a student includes unwanted and unwelcome verbal or physical conduct of a sexual nature, whether by word, gesture, or any other sexual conduct, including requests for sexual favors.

**Sexual Harassment/Abuse by Employees**

School employees are prohibited from sexually harassing or sexually abusing students. Romantic relationships between students and employees are prohibited.

Level One: A student or parent who has a complaint alleging sexual harassment by other student(s) or sexual harassment or sexual abuse by an employee may request a conference with the principal, designee, or the Title IX coordinator for students. The student may be accompanied by the parent or other advisor at the initial conference and throughout the complaint process. The initial conference with the student ordinarily shall be held with a person

who is the same gender as the student. The conference shall be scheduled and held as soon as possible, but in any event within seven days of receipt of the complaint. At the conference, the persons bringing the complaint shall be informed of the right to file a complaint with the Office for Civil Rights. The principal or designee or the Title IX coordinator shall coordinate an appropriate investigation, which ordinarily shall be completed within seven days of the initial conference. The student or parent shall be informed if extenuating circumstances delay the investigation. Nothing in the complaint process shall have the effect of requiring a student alleging sexual harassment or sexual abuse to report the matter to a person who is the subject of the complaint.

Level Two: If the resolution of the complaint at Level One is not to the student's or parent's satisfaction, the student or parent has seven days to request a conference with the Board of Christian Day School or designee, who shall schedule and hold a conference. Prior to or at the conference, the student or parent shall submit a written complaint.

<sup>1</sup> Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.

<sup>2</sup> A complete Hib series is two doses plus a booster dose on or after 12 months of age (three doses total). If a child receives the first dose of Hib vaccine at 12 - 14 months of age, only one additional dose is required (two doses total). Any child who has received a single dose of Hib vaccine on or after 15 - 59 months of age is in compliance with these specified vaccine requirements. Children 60 months of age and older are not required to receive Hib vaccine.

<sup>3</sup> If the PCV series is started when a child is seven months of age or older or the child is delinquent in the series, then all four doses may not be required. Please reference the information below to assist with compliance:

- For children seven through 11 months of age, two doses are required.
- For children 12 - 23 months of age: if three doses have been received prior to 12 months of age, then an additional dose is required (total of four doses) on or after 12 months of age. If one or two doses were received prior to 12 months of age, then a total of three doses are required with at least one dose on or after 12 months of age. If zero doses have been received, then two doses are required with both doses on or after 12 months of age.
- Children 24 months through 59 months meet the requirement if they have at least three doses with one dose on or after 12 months of age, or two doses with both doses on or after 12 months of age, or one dose on or after 24 months of age. Otherwise, an additional dose is required. Children 60 months of age and older are not required to receive PCV vaccine.

<sup>4</sup> For MMR, Varicella, and Hepatitis A vaccines, the first dose must be given on or after the first birthday. Vaccine doses administered within four days before the first birthday will satisfy this requirement.

<sup>5</sup> Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of child) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." The written statement will be acceptable in place of any, and all varicella vaccine doses required.

Information on exclusions from immunization requirements, provisional enrollment, and acceptable documentation of immunizations may be found in §97.62, §97.66, and §97.68 of the Texas Administrative Code, respectively and online at <https://www.dshs.texas.gov/immunizations/school>.

### **Exemptions**

Texas law allows (a) physicians to write medical exemption statements which clearly state a medical reason exists that the person cannot receive specific vaccines, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem).

Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health. Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at [www.dshs.texas.gov/immunizations/school/exemptions](http://www.dshs.texas.gov/immunizations/school/exemptions).

The original Exemption Affidavit must be completed and submitted to the school. For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

### **Documentation**

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.

### **Provisional Enrollment**

All immunizations must be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. Student must not be overdue for the next dose in a series to be considered provisional. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school.

A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Additional guidelines for provisional enrollment of students transferring from one Texas public or private school to another, students who are dependents of active duty military, students in foster care, and students who are homeless can be found in the TAC, Title 25 Health Services, Sections 97.66 and 97.69.

### **Documentation**

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.
