THE KNIGHTLY NEWS

November 8th, 2024 | Volume 1, Issue 13

Thanks-Living!

We had a wonderful message by our 1st graders at Chapel this week called "Thanks-Living." Please take a moment this weekend to extend our campus challenge of "Thanks-Living" to your home and reflect (as a family) on one thankful moment each day.

Roof construction is moving right along and the playground will remain closed next week... but, I can tell you that the bounce houses and "9-Square-In-The-Air" were a hit! We'll continue to explore alternative solutions to our recess and play-ground time on campus.

Lastly, Basketball season is here! We are happy to announce that the boys JV and Varsity teams have been busy at practice and are game ready. We are also happy to announce that our girls JV and Varsity teams have joined up with our neighbor St. Paul - Serbin to form a full JV and full Varsity squad this year. The girls from our school and Serbin will compete as the "**Lee County Lutheran Vikings!**"

Weekly Photos! 📷 😊

When?

Saturday, Nov 16, 2024, 09:00 AM

Where?

St. Rose of Lima Catholic School, Black Street, Schulenburg, TX, USA

Reminders! 💡

1. Playground Closure Extension (11/4 - 11/15)

Our school playground will continue to be closed while the Fellowship Hall and Church roof renovations continue. Our students will continue to utilize the field at the front of our school to have safe recess, PE, and play-break access throughout the school day.

CONSTRUCTION ANNOUNCEMENT

We will begin replacing the roof of the Church and Fellowship Hall starting the week of November 4th. The original roof was constructed during a period that Asbestos was included in many of the building materials. The existing roofing material has been found to contain Asbestos. The proper and safe abatement of Asbestos is regulated under the Texas Asbestos Hazard Protection Act that requires both an authorized abatement contractor to perform the work and a separate asbestos consultant and monitoring company. The consultant and monitoring company will serve as project manager and will measure the air during the entire process to ensure there are no contaminants in the air. During this work we will be making certain changes to the operations of the school including the use of the fenced playground and potential changes to the car lines.

-The Building Committee

2. Label those Jackets!

As the weather continues to change, please take a look into your coat closet and label your child's **jackets, hoodies, and sweaters**. If a jacket is left, we will continue to collect them in the front of school, and at the cafeteria/sonshine pick-up area.

3. Help Wanted: PSIA

Private School Interscholastic Association ([PSIA](#)) Coaches. If you feel that you can help coach a team of students in any of the [PSIA](#) contests please email Mrs. Pietsch at vpietsch@ilgtx.com.
