A Story Shared:

A high school administrator called me to share a story about a family who, while enrolling their 9th grader, couldn't help but share a story about Immanuel.

"We went to their basketball game on the 30th, and really just loved how their parents, players, and teachers interacted with everyone. We decided after that game that we were going to enroll our younger children at Immanuel."

That's it. That's the Immanuel Way. That's the difference. That's us, that's you, that's our community!

February's Memory Verse

"Blessed is the man who remains steadfast under trial, for when he has stood the test he will receive the crown of life, which God has promised to those who love him." James 1:12

4. Here comes the warm weather! ☀️

Believe it or not, spring is just around the corner. At this point in the school year, most of our children have out-grown their fall clothes. Please click [here](#) to review our dress code policy for the 2024-2025 school year.

The purpose of our dress code is simple: "If we address the incorrect things that we **can** see, our children are less likely to do the incorrect things that we **can't** see."
