PRIVATE TOUR OF THE MORGAN LIBRARY AND MUSEUM

With Charlie Pierce, Director Emeritus

The Morgan Library originated as Pierpont Morgan's personal library in the early part of the 20th Century in a building designed by McKim, Mead & White and including an early 21st-Century expansion designed by Renzo Piano. The Morgan includes an extraordinary collection of manuscripts and artworks dating from earlier than 2000 BC to the present day, within an intimate setting. There is no way better to visit the Morgan than with Charlie Pierce, who served as its Director for more than 20 years.
