

ABOUT RUSSIAN ORPHANS

Each year, Russia releases orphans into society after they turn 18 years old. With no skills, they must find a job, a place to live, and a way to survive. Most don't.

Ninety percent of these graduate orphans end up in crime, prison, prostitution, drug addiction or homeless. Within the first five years 5% have committed suicide.

ABOUT STRATEGIC ANGEL CARE

Strategic Angel Care (SAC) is non-profit organization formed with others who share our same passion for the orphans and at-risk children in the Former Soviet Union, to encourage direct personal involvement in their lives and, to provide for their physical well being and to share the message of salvation through Jesus Christ.

SAC works to disciple and spend time with these orphans to build relationships so they can build upon their new faith in Christ. We visit the same ministry sites during every trip to enable a continuity of relationships so that orphans and at-risk children do not develop a further feeling of abandonment.
