Did you know that the state of Pennsylvania has a program called the Educational Improvement Tax Credit Program (EITC)? **This program allows you to redirect your state income tax to be used for scholarships for qualifying children to attend private school.**

For many years, we have used the Pre-K portion of this tax program to provide scholarships for students attending Beverly Heights Christian Preschool. The actual implementation of the program is facilitated by the Children's Tuition Fund (CTF), a Christian ministry that exists to help families have access to educational choice. Using EITC with the help of the CTF, we have been able to offer scholarships to qualifying Preschool children year after year.

PA businesses (as well as individuals who qualify) can receive a tax credit equal to 100% for the first \$10,000 contributed to a Pre-K program and then 90% for any additional amount afterwards. **We do not have a donor for this upcoming school year – maybe would be interested in this tax credit incentive?** The Children's Tuition Fund makes it easy to apply by walking you through all the necessary steps. Visit <https://childrenstuitionfund.org> or reach out to Amy Lucas to receive information about next steps.

All of our podcasts can be found on all major podcast platforms. We invite you to listen, grow and be inspired!

## reading plan

We encourage the whole congregation to read through the Bible in one year using the Reading Plan developed by Robert Murray M'Cheyne. We look forward to the opportunity to be in the Word together. You can pick up a copy of the plan at any of the entrances.
