Children's
Tuition Fund

Did you know that businesses in Pennsylvania are able to receive a 90% tax credit for making a contribution to the Children's Tuition Fund? Money is distributed to the school of your choice to use as scholarship funds to help students afford private education.

If you own a business, or know someone who does, we invite you to contribute scholarship funds to our schools. For more information, visit childrenstuitionfund.org or talk to Amy Lucas.
