DIGGING DEEPER

1. Why was the woman with the bleeding condition so desperate to encounter Jesus? What had her condition cost her?
2. How did this condition affect her ability to worship God?
3. What did her desperation drive her to do?
4. How did Jesus respond to her touch? How might this have been different from the way she was treated by other religious leaders?
5. How did Jesus transform her hopelessness into hope?
6. What does it mean that Jesus is the Great Physician?
7. What was different about what the human physicians could offer compared to what the Great Physician could offer?
8. How did this story speak to the woman's deeper spiritual need?
9. How does this story speak to our deeper spiritual need?
10. What is the relationship between our faith and God's power?
