DIGGING DEEPER

1. Why do we tend to focus more on the size of our problems than the size of our God?
2. How does shifting your perspective to God's greatness change your response to the giants you face in your life?
3. Have you ever seen God do something you thought was impossible? Share your story.
4. What are areas in your life that feel "impossible" right now?
5. How can you trust God to work in those situations?
6. Why do we sometimes take credit for victories that really belong to God?
7. What's the danger in taking credit for God's work?
8. How can we intentionally give God credit for our successes? What does that look like practically?
9. What are some "weapons" we try to use when fighting life's battles on our own?
10. How is faith in God a stronger weapon than anything we could hold in our hands?
11. Where do you need to lay down your weapons and pick up faith?
12. How is Jesus like David, fighting a battle we couldn't win?
13. How does His victory over sin and death give us confidence in our own "giant" battles today?
