Kennison's Corner

Dear Parents,

We have three more weeks of Lent and then, many will join the church on Easter Vigil. I'm looking forward to the Masses when our second graders receive their first communion. It's so hard to describe the feeling we have when our children receive the Eucharist for the first time: when they are as close to Jesus as they can be on Earth. Most remember their first communion, and many of you may recall when we could only do the spiritual communion during COVID. The receiving of Jesus is the miracle that we get to experience at least once a week. I invite all parents to join us for Mass every Wednesday. The Eucharist is the source and summit of our Catholic faith. This summer Indianapolis will host the National Eucharistic Congress July 17 – 24, 2024 as part of the National Eucharistic Revival. 21st Century Scholars Program-What is it?

An opportunity for students to afford college in Indiana. The 21st Century Scholarship pays up to 100% of tuition at public colleges in Indiana and part of the tuition at private or independent colleges. Learn more about the schools, colleges and universities that accept the 21st Century Scholarship.

The scholarship does not cover the cost of books, room and board, parking fees, lab fees or any other fees that are not assessed to all students.

The scholarship process is open to 7th and 8th grade students and applications must be received by June 30th of the student's 8th grade year.

To find out more information on the 21st Century Scholars program and apply, please visit <https://learnmoreindiana.org/scholars/>.

The site also has information on other paths available after high school and how to create a graduation plan that aligns with your child's plans after high school.

It is a great resource for parents who are beginning the high school process soon!
