Kennison's Corner

Dear Parents,

It's hard to believe the 2023 – 2024 school year is coming to an end! As things come to an end, it's time to look to the future. Recently, there have been several new educational legislations that impact all schools, which I've outlined below. The following legislative changes are now required of Indiana schools and teachers:

- All preschool through 6th-grade elementary teachers and special education licensed teachers must have an early literacy endorsement to renew their teaching license after 2027. The endorsement calls for 80 hours of approved literacy coursework. St. Malachy teachers are registering for the summer and fall courses.
- All new 2023 Indiana State Standards will be assessed on ILEARN in the spring of 2025.
- Beginning in the 2025 – 2026 school year, ILEARN will be administered four times. The first three assessments will assess specific standards and students can retake it to demonstrate proficiency. The last assessment is similar to the current format. St. Malachy is joining many other Indiana schools that are opting to pilot the ILEARN Checkpoints in the 2024 – 2025 school year. St. Malachy teachers are working on curriculum mapping this summer as well as working on their literacy endorsement.
- Beginning in the 2024 – 2025 school year, 3rd graders that do not pass IREAD-3, will be retained to 3rd grade. St. Malachy will be opting into the IREAD for second graders. This assessment will provide data to identify 2nd-grade students in March 2025 that have not mastered basic literacy skills. This data will help teachers and parents to work with students to improve their literacy skills in order to become proficient readers by spring of third grade.
- All schools are required to screen kindergarten through 2nd grade students for dyslexia. St. Malachy will be adopting an approved Dyslexia International Institute Screener and begin screening our K-2nd graders in the 2024 – 2025 school year.

All staff are committed to helping your children, our students, reach their potential and beyond. Please pray for our teachers as they will have a very busy summer with the reading endorsement program that is 80 hours. Also, all teachers are working on their curriculum mapping this summer to best teach and help their students this fall.

Kennison's Corner

In addition, we are committed to improving our overall attendance and tardy rates for the 2024 – 2025 school year. On-time attendance is a life skill, and it is especially important in the growth and development of a child as is the importance of at least 8 hours of sleep each night. The proverb, “It takes a village to raise a child,” could not be more true now! We all, parishioners, priests, principal, teachers, staff, students, parents, and families, need to work together to provide the best education and support in helping OUR children grow spiritually, emotionally, socially, physically, and academically.

Lastly, Fran Ray, Melissa Hernandez, Katie May, Mary Kay Loviscek, Heather Miller, and Erika Salcedo-Sainz will not be with us next year due to retirement or pursuing other callings. They will always be Shamrocks, and we wish them the best and will pray for them!

Mrs. Adler and Mrs. Kish will be teaching 5th grade, and Mrs. Carlson will be teaching 3rd grade for the 2024 – 2025 school year. Therefore, we are currently looking to fill the teaching positions listed below for the 2024 – 2025 school year:

- Middle school science or Math teacher (5-12)
- 3rd-grade teacher

Anyone interested and licensed in these positions should send their resume to skennison@stmalachy.org. Have a wonderful week, and may God continue to bless St. Malachy Church and School!

In Christ,

Mrs. Sandra Kennison, Principal

21st Century Scholars Program-What is it?

An opportunity for students to afford college in Indiana. The 21st Century Scholarship pays up to 100% of tuition at public colleges in Indiana and part of the tuition at private or independent colleges. Learn more about the schools, colleges and universities that accept the 21st Century Scholarship.

The scholarship does not cover the cost of books, room and board, parking fees, lab fees or any other fees that are not assessed to all students.

The scholarship process is open to 7th and 8th grade students and applications must be received by June 30th of the student's 8th grade year.

To find out more information on the 21st Century Scholars program and apply, please visit <https://learnmoreindiana.org/scholars/>.

The site also has information on other paths available after high school and how to create a graduation plan that aligns with your child's plans after high school.

It is a great resource for parents who are beginning the high school process soon!
