Christ in Every Face - Saint of the Month

As Catholics, we believe that everyone is created in the image and likeness of God; because of this every person has dignity and deserves to be treated with love, kindness, and respect regardless of their age, abilities, background, or economic circumstances. Each month we will focus on a particular group that we are called to recognize, protect, and celebrate. We will also learn about a Saint that taught us how to see Christ in every face.

October Focus: Refugees and Immigrants

This month, we will focus on recognizing the dignity of people who have left their home countries in search of safety, opportunity, or a better life for themselves and their families.

Saint of the October: Saint Frances Xavier Cabrini

To learn more about St. Frances Xavier Cabrini, please watch this video to learn more about these Saints.

How can students be like Saint Frances Xavier Cabrini?

1. Notice people who are new or left out, and invite them to join you.
2. Be patient with people who speak or act differently than you do.
3. Learn about a person's culture instead of judging them.
4. Make those around us feel welcome.
