Christ in Every Face - Saint of the Month

As Catholics, we believe that everyone is created in the image and likeness of God; because of this every person has dignity and deserves to be treated with love, kindness, and respect regardless of their age, abilities, background, or economic circumstances. Each month we will focus on a particular group that we are called to recognize, protect, and celebrate. We will also learn about a Saint that taught us how to see Christ in every face.

November Focus: Veterans and Active Military

This month, we will focus on these brave men and women who have served or are currently serving our country, often making great sacrifices and spending time away from their families to protect others.

Saint of November: Saint Martin of Tours

To learn more about St. Martin of Tours, please watch this video to learn more about these Saints.

How can students model the traits of Saint Martin of Tours?

1. Notice when someone needs help, and do something about it.
2. Put the needs of others before your own, even when it requires a sacrifice.
3. Show gratitude and respect to those who serve others.
