ABOUT US

At Door Creek Church, we seek to be a Christ-centered church for all people and we're really big on building community. This is why we offer a community for kids, students, young professionals as well as our senior adults. But what if you're the kind of person who's a little too old to be a young professional, and maybe a little out of place in a seniors ministry. Are you an InBetweenener?

"The InBetweeners" is a ministry for singles between the ages of 40-65 who don't really fit into any of the existing ministries. Join us for fun, Christ-centered gatherings where you can make friends, invite others and grow deeper in your relationship with Christ.
