ABOUT US

The Young Professionals group is for anyone in their 20/30s.

We're the group for you if you no longer find yourself living in a dorm, studying for OChem but are still figuring out what "adulthood" looks like. We seek to provide a place for everyone in this life stage to build community and friendships through food, fun and doing life together.

We have social events 1-2 times per month. Events range from bowling and board game nights to pumpkin carving contests and taco bar fiestas. Event dates vary by month. Get all of the latest updates via our DCC Young Professionals Facebook group or Instagram page.

We also have multiple Young Professionals life groups that meet biweekly to dig into God's Word.

Everyone is invited. Come as your schedule allows.
