STUDENT ESSAY

Please attach a separate page. Older children write a one page paper about why they would like to attend camp, what they expect to receive from camp, and how they'll contribute to the camp experience.

If your child is too young to write this out, they can draw a picture instead and talk to Miss Allison about why they want to come to Camp.

If concerns or questions come up in regards to this, please email allison@gwc.cc.
