Our Response:

- 1) How can you practice rejoicing instead of complaining when hardships come? How can you learn to see suffering as part of God's plan instead of an obstacle?
- 2) How does Paul's sense of calling challenge you to view your own role in God's kingdom? How can you be more faithful with what God has given you to do?
- 3) How can you remind yourself daily that "Christ in you" is your source of hope and strength? What's one way you can display Christ's presence to others in your routine today?
- 4) Who in your life are you intentionally helping to grow toward maturity in Christ? Who can you start a Transformation Group with this month?
- 5) In what area of life are you tempted to rely only on your own strength? How can you practically depend on God's power today instead of your own effort?
