## **RESPONSE QUESTIONS:**

1. Why is it so difficult for some people to acknowledge that they have sinned and fallen short and they need a Savior? Similarly, why do people find it difficult to understand salvation is a free gift and they cannot earn it by good works?
2. Why do you think we are prone to view ourselves as indestructible or untouchable? How can you see this tendency in your own life?
3. We often seek to distract ourselves from our problems and tend to seek the wrong wisdom to deal with our problems. What are some sources of wisdom we turn to and why are they ultimately insufficient?
4. How was Daniel described in this passage? If someone was struggling, why would someone refer them to come and seek your wisdom & counsel? What would you share with them?
5. If the Lord were to write a message to you on the wall of your life, what would it say? What adjustments might you need to make?
