## **Our Response**

- 1) What does it mean to be set free by Christ and keep standing in that freedom each day for you?
- 2) Are there limits to our freedom in Christ? Explain why or why not?
- 3) Does the phrase “fallen from grace” refer to losing your salvation or not? Explain.
- 4) How can you, like the Galatians, be tempted to give away your freedom and not walk in grace?
- 5) How do you need to hear and apply the words of warning Paul gives and see more clearly the truth about legalism?
