- 1) Why are we sometimes tempted to see how close we can get to sin without actually crossing the line? What does getting closer to the Lord need to look like practically in your life today?
- 2) Why are we sometimes reluctant to get involved in battles that aren't our own? When should we be willing to step into someone else's battle? Who in your life needs you to stand in the gap for them right now?
- 3) How should recognizing God as the source of our blessings change our response to Him? What does it mean practically to give back to the Lord generously & sacrificially for you?
- 4) What kinds of bargains does the enemy or the world offer believers today? What makes compromise so appealing in the moment?
- 5) Where in your life do you need to make a decisive refusal rather than continuing to entertain temptation or compromise? What do you need to resolve today to do what is right in God's eyes, regardless of what it may cost you?
