What is the Christmas invitation for us today?

1) Pay close attention to the message of the angels

- Don't be afraid
- It's good news for all people
- It will bring great joy
- It will bring peace now and forevermore
- God's favor rests on us

2) Join in the worship of the angels of Christ the Lord – Jesus is our Savior

3) Remember the message of Christmas is redemption & it's all about God's glory

Our Response

- 1) What part of the message of the angels do you need to hear and allow to be a part of your life this Christmas?
- 2) How can you join in the worship of the angels of Christ the Lord?
- 3) What might be distracting you and keeping you from truly worshipping and being transformed? What adjustments do you need to make?

- 4) In what ways will you give glory and praise to God for the birth of Jesus this Christmas & in the coming year?
- 5) How does knowing this Christmas carol help you to worship? What about this carol speaks specifically to you?
