

THINGS JESUS NEVER SAID “You Get What You Deserve”

Luke 23:32-43

April 6, 2025

What Jesus Never Said...

- ✓ What goes around comes around
- ✓ Your past will finally come back to haunt you
- ✓ You made your bed, now lie in it
- ✓ That’s just karma! You got what was coming to you
- ✓ You messed up this time, now you’ve got to pay the price
- ✓ If you did the crime, you’ve got to do the time
- ✓ You get what you deserve

What Did Jesus Really Say...

- You don’t get what you deserve at all – I will take your place, pay your price, and take what you deserve
- I will forgive you & will set you free
- I will change the course of your life now & forever
- I will give you an eternal home in heaven with me [2 Corinthians 5:6-8](#)
- You will reap what you sow [Galatians 6:7-9](#)

What Do We Do?

- 1) Time is short but it’s not too late. If you have breath in your lungs to give your heart and life to Jesus – do it today before it is too late!
- 2) You have a choice today & life isn’t karma – you don’t have to get what your sin says you deserve nor what you think your good deeds should earn you.
- 3) Humble yourself today, admit you’re a sinner and receive salvation today found in the grace and mercy of Jesus
- 4) Walk in the truth of the sowing and reaping principle of God’s Word.
- 5) If you know Him as Savior and Lord, then rejoice once again that He wonderfully saved your wretched soul!
